

SEIU Bargaining Update

February 16, 2012

Wednesday, February 15 our Bargaining Team met with management for our third bargaining session. To date, we have come to a tentative agreement on 26 of our contract's 43 articles. We are continuing to make progress, but there is still a lot of work to be done.

We still have a number of articles to bargain, including economic articles. In our last session, our Bargaining Team put forward economic proposals and we anticipate a response from management in our next bargaining session.

What's Next:

Our next bargaining session is Wednesday, February 22.
